

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art fails to teach or suggest a flow rate measurement device or method of using the device of claim 1, comprising a body having a step wise increase at a height on the body that relates to a predetermined flow rate of fluid through the outlet as claimed in claim 1, which enables the user to determine the flow rate through the outlet by visualizing the fluid height and the step-wise increase.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
